COURT ADMINISTRATOR APPOINTMENT

I am pleased to announce, on behalf of the judges of the Toledo Municipal Court, that C. Lisa Falgiano has accepted our offer of the position of Court Administrator, effective immediately. Lisa has served our court as Acting Court Administrator since Pam Roberts retired from her position. The court conducted a nationwide search and reviewed the numerous applications submitted. Lisa stood out among all qualified applicants based upon her education, experience, and training. Lisa holds both a bachelor's degree in business and a Juris Doctor degree in law. She brings over 15 years of supervisory and administrative experience in complex organizations such as our court's, having served as our Deputy Court Administrator, Human Resources Officer, and as an Army Judge Advocate overseeing a large staff of attorneys and paralegals. She is a Certified Ohio Court Manager and on track to become a Certified Court Executive through the programming of the National Center for State Courts. She has demonstrated an impeccable work ethic, a willingness to work beyond normal business hours when needed, and a capacity to multi-task, and a commitment to public service. Please join me and the judges of our court in congratulating Lisa.
